ABOUT NAHP:

Founded in 2011, the National Association of Haitian Professionals (NAHP) is a 501(c)3 non-profit organization established by diverse group of forward-thinking industry experts, youth leaders, faculty, public and nonprofit sector professionals from Haiti and its global diaspora. NAHP is focused on connecting a global community of peers with career advancement resources as well as fostering transformative relationships between NAHP members and committed stakeholders to rebuild Haiti through philanthropy and social entrepreneurship.

VISION:

To be the leading networking organization for professionals and students interested in career advancement and leveraging the transformative power of collective action to create solid partnerships that use advocacy, catalytic philanthropy and social entrepreneurship to promote inclusive, effective and lasting socio-economic progress in Haiti.

MISSION:

NAHP seeks to be a reliable central gathering point for networking between students and professionals of Haitian descent who are interested in career advancement strategies and opportunities. NAHP also prides itself on its focus on fostering the diaspora's engagement in advocacy efforts, philanthropic and social entrepreneurship projects directly tied to promoting sustained social and economic success in Haiti.

Our objective is to generate increased access to capital for Haitian businesses, raise the number of low-income students of Haitian descent that graduate from college and expand civic participation and leadership in our communities.
