NATIONAL ALLIANCE FOR THE ADVANCEMENT OF HAITIAN PROFESSIONALS NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017 AND 2016

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ORGANIZATION

National Alliance for the Advancement of Haitian Professionals (the Organization) was incorporated on 2011 in New Jersey for purposes of preparing Haitian professionals for leadership positions, increase the number of successful Haitians in the diverse business community, and engage the Haitian Diaspora in development. In November 2015, the Organization changed their name from National Association of Haitian Professionals, Inc. to National Alliance for the Advancement of Haitian Professionals.

The Organization is committed to building intellectual and economic wealth within the Haitian community in the Diaspora and in Haiti. The Organization focuses on education, networking, partnerships, conferences and career building to meet their goals.

METHOD OF ACCOUNTING

The financial statements of the Organization have been prepared on the accrual basis of accounting, which means that income is recognized as it is earned and expenditures are recognized as they are incurred whether or not cash is received or paid out at that time.

CASH AND CASH EQUIVALENTS

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

INCOME TAX STATUS

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The exemption letter is dated May 31, 2013. The organization is also exempt from state tax.

Accounting Standard Codification No. 740, "Accounting for Income Taxes," established the minimum threshold for recognizing, and a system for measuring, the benefits of tax return positions in financial statements. The Organization has analyzed its tax position taken on its income tax return, for the purposes of implementation, and has concluded that no additional provision for income taxes is necessary in the Organization's financial statements.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

FAIR VALUE OF FINANCIAL INSTRUMENTS

Accounting Standard Codification No. 825, "Financial Instruments", requires the Organization to disclose estimated fair value for its financial instruments. The carrying amounts of cash, other receivables, prepaid expenses, accounts payable, accrued expenses and refundable advances approximate fair value because of the short maturity of those instruments.

CONTRIBUTED SERVICES

During 2017, two members of the Board of Directors and forty-five volunteers provided services to the organization. During 2016, two members of the Board of Directors and fifty-eight volunteers provided services to the organization. The members' and volunteers' services included many hours spent preparing for the annual conference, day to day accounting services and management of the organization. During the years ending December 31, 2017 and 2016, the Organization recognized 15,040 and 14,144 volunteer hours, respectively, at an estimated market value of \$476,990 and \$527,418, respectively.

DATE OF MANAGEMENT'S REVIEW

Management has evaluated subsequent events through September 17, 2018, the date through which the financial statements were available to be issued.

NOTE 2 – BASIS OF PRESENTATION

The financial statement presentation follows Accounting Standards Codification 958-205, *Presentation of Financial Statements*. Under ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

At December 31, 2107 and 2016, temporarily restricted net assets were \$0.
